7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

TITLE: A Social Awareness Campaign by N.S.S. Unit and village adoption "DUMRI KHURD".

PRACTICE:-

- The students of Geography department and N.S.S. volunteers conducted a specific survey to collect the responses from the villagers of Dumri Khurd village highlighting their life style and outlook.
- The analysis of the outcome of the survey helped in selecting the topics of discussion and interaction with the villagers that provided a base for organizing an awareness campaign.

A special residential NSS camp was organized at the village Dumri Khurd with 50 volunteers, apart from performing their routine activities, started communicating, interacting with the villagers to enhance their participation and other activities organized for them. Daily awareness, like, Nasa mukti, blood donation awareness,

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Hunterganj is the very backward area of chatra district as well as state Jharkhand. In the past few decades, the government has launched and implemented various welfare, upliftment schemes and awareness programs for the rural people. But due to lack of awareness, effective execution and result oriented mechanism; the desired goal couldn't be achieved. The overall progress of the villagers living in remote, and Naxal affected area is still restrained by various factors. Owing to lack of information, ignorance and outreach awareness programmes, life of these villagers is still encircled by various problems. This grim ground reality got reflected when the NSS and Geography department conducted a field work and special survey to the extreme backward area in the Hunterganj the village is Dumri Khurd. An awareness programme of Illiteracy, health issues related to unhygienic living conditions. alcholaism, superstitious outlook, adherence to traditional modes of farming, negligence towards banking system etc, are some of the issues restraining the progress of the villagers that compelled us to organize an awareness campaign specially targeting these issues to bring about a change in outlook of the villagers. Moreover, such targeted activities would surely be helpful in sensitizing the students to pay back to society and to develop some of the vital skills among them.
