## Report on Consumer Awareness Program Organized by NSS Unit of Ram Narayan Memorial College, Hunterganj

Date: [Insert Date]

Venue: Ram Narayan Memorial College, Hunterganj, Jharkhand

The NSS Unit of Ram Narayan Memorial College, Hunterganj, organized a highly informative Consumer Awareness Program for the staff and students of the college. The program aimed to educate attendees on vital aspects of consumer rights and responsibilities, focusing on digital and telecommunications safety.

The session was led by Mr. Pradeep Kumar and Mr. Panna Lal, officials from the Telecom Regulatory Authority of India (TRAI). They delivered an engaging PowerPoint and video presentation, covering the following key topics:

- **Awareness about Fraud Calls:** Strategies to identify and avoid fraudulent activities over phone calls.
- **Cyber Crimes:** Tips to stay safe from online scams and protect personal data.
- **Mobile Number Portability:** Step-by-step guidance on porting mobile numbers between service providers.
- **Activation of DND (Do Not Disturb):** A demonstration on how to activate DND services to avoid unsolicited marketing calls and messages.

The program also included an interactive quiz competition to reinforce the knowledge shared during the session. Students actively participated, showcasing their understanding and enthusiasm for the subject matter.

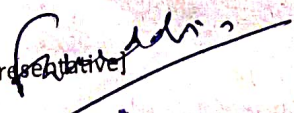

The event was graced by the presence of the Principal, Prof. Jainendra Singh, along with esteemed faculty members, including Dr. Faheem Ahmed, Prof. Fakhruddin Ansari, Prof. Anil Kumar Singh, Prof. Pankaj Kumar, Prof. Ranjeet Yadav, Prof. Tahir Hussain, Prof. Sweta Singh, and other faculty members. Their support and encouragement greatly contributed to the success of the program.

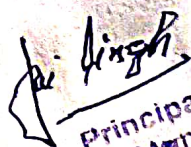

The Consumer Awareness Program received an overwhelmingly positive response from participants, who found the information both relevant and essential in today's digital age. The NSS Unit was commended for organizing such a valuable event, which empowered the college community to make informed decisions and protect themselves against potential threats in the digital and consumer landscape.
